

OKK Monthly Bulletin February 2020

Here comes a probably long-awaited monthly letter a little later than usual when we had other priorities.

Show

It is with pleasure that we inform that Albin from Växjö has taken responsibility for all the show numbers and that we will also have a fantastic show with glow this year on our anniversary year!

Albin is responsible for what acts in the show our children are training on respective workouts/passes and several workouts are mixed with both regular training and show.

Photoshoot

Monday and Tuesdays photoshoot with all our young people in fantastic creations was as always wonderful to see. Joy, Glow and Community!

The Board also takes the opportunity to thank the Showgroup for their fantastic job with costumes, planning, props etc. and as they took care of the youngsters during photography, thank you!

Trainings

The board has put together a spring schedule with competent coaches now that we are temporarily without a head coach. Thanks to all the coaches who make this possible for Osby KK, Karin, Jossan, Albin, Tilda, Lina, Klara and all the assistant coaches.

- It is of utmost importance that you report absence now that we buy services per hour. This is something that was neglected during the season so we have to inform again!

Slingan 7/3

Time for Slingan, welcome

New A-Skater

Thea Wendel is no A-skater, Congratulations!

Test week 13

For all skaters who are ready, good luck!

This is the competition committee's last assignment for the season, now we hope for many applicants for our home test. =)

Registration for competitions

This is reported on a list in the dressing room.

- Check yes if you can and no if it doesn't fit.

Sponsor / Lottery Committee

Now works intensively with search for advertisers for the show and has a high load. Last year we broke all records in ad sales. We keep our fingers crossed.

Help!

We cannot illuminate enough how high the load is in the association right now, we would gladly receive help with eg "showfest", training ice, , website, information flow. Constructive criticism and help with operations; Yes thank you!

Save the date

- Construction weekend 3 - 5 April

All members meet during the two days and build the stage, lighting, cafeteria and more. The association offers simple food/snack.

- Anniversary Party 50 years, April 4, just as it sounds, anniversary party with something extra!

How to apply for the Party will soon appear on the website.

Members meeting, information 11/3, 18:00

The Board will jointly present parts of our work during 19/20 so that all members will have access to the extensive work required by a figure skating association at this level. You will know who we are and what we are doing. The woman / man behind the keys. And hopefully you will get answers to several of your questions with this presentation.

Welcome to all from Bärnsten to Elit

- We want to see as many faces as possible!

Other

Extra Annual Meeting 14/5, updated / new statutes of the association.

- Congratulations Fredrik Nord, who acted most at the sponsors' house in the association. Win: two tickets to the show! THANK YOU Fredrik, keep shopping! ;)

Reminder contributing work step 2.
